Description:

This special dvd collection includes every episode from season one of the hauntingly 100% real, smash hit reality show from the „Das Vierte“ Channel. GHOST HUNTERS introduces Jason and Grant, plumbers by day – ghost hunters by night! Hold onto your seat and enjoy this hair raising thrill ride with a group of real-life ghostbusters as they investigate haunted houses throughout the country. Plumbers by trade, Jason Hawes and Grant Wilson head-up a group of intrepid souls that are far from the usual collection of bespectacled Ph.D.s. They are ordinary, everyday people with an interest in getting to the bottom of otherworldly disturbances. Every episode Jason, Grant, and their team investigate a new case, from a poltergeist who violently throws a child's toys around an attic, to a little girl who sees dead people, to a ghost bride in a haunted honeymoon suite and much more! You will even see the television crew members encounter actual paranormal entities as they are filming! This incredible collector's box set will convince you that ghosts really do exist. Prepare to be scared! You won't believe your eyes!!!
